

The Primary and Secondary Colors

Sharon Luanne Rivera: School Art Theatre Productions

Red, yellow, blue, are the primary colors.
Purple, orange, green are the secondary colors.
Red and yellow, they make orange.
Blue and red, they make purple.
Yellow and blue, they make green.
Mix 'em all together, you get gray.

Chorus:

Red, yellow, blue are the primary colors.
Purple, orange, green are the secondary colors.
Red, yellow, blue are the primary colors.
Purple, orange, green are secondary.

Red, yellow, blue are the primary colors.
Purple, orange, green are the secondary colors.
Red, yellow, blue are the primary colors.
Purple, orange, green are secondary.

(Spoken):

Red, yellow, blue, purple, orange, green.
Red, yellow, blue, purple, orange, green.
Red, yellow, blue, purple, orange, green.

Red, yellow, blue are the primary colors.

Chorus

Red and yellow, they make orange.
Blue and red, they make purple.
Yellow and blue, they make green.
Mix 'em all together, you get gray.

Chorus

Red, yellow, blue, are the primary colors.
