

Key ?s to Include

Make sure you have answered these questions!
This is what your grade will be based on!

- 1) When was your artist born? When did your artist die **or** are they still living?
- 2) What happened in history during their lifetime? Wars? Inventions? News?
- 3) What was their life like? What were some main events within their life? Did these events influence their artwork and how so?
- 4) What were some of their famous pieces of work? (Show **pictures** of their artwork and **Title** them) **NEED at LEAST 10 images of the Artist work with Titles!!!!**
- 5) What are some other interesting facts that you learned about your artist?
- 6) Who influence your artist? Who were their friends? **AND** who did your artist influence?
- 7) What **art movement** were they a part of? (Impressionism, Cubism, Expressionism, Surrealism, Post-Modernism, Pop-Art, Environmentalism, etc.)
- 8) Tell us what this art movement stood for. What was the art movement about? Definition of the art movement.
- 9) Who were other artist's that were a part of this art movement? Show pictures of their artwork and talk about how the style of their art movement. **NEED at least two other artists artwork from your artist's art movement.**
- 10) **Share** with the class **parodies** that others have made from your artists' artwork. Does your artist have re-makes/look-a-likes that we use today? (Commercials, movies, clothing) What are some examples of this? **OR** what are things that are sold with their artwork printed on the products (show pictures)

***Tip try to Google "Artist name + products"*
- 11) What did you think about your artist's artwork? Why do you think you feel this way? **GIVE DETAILS**....Please do not just say "I liked it because I thought it was cool" This will not get you points. You can speak about your favorite work and explain why you like it. Think back to **elements & principles** of art. (Texture, Line, Balance, Color, subject matter, etc.)
- 12) **Bibliography stating sources (easybib.com) Must be is an APA style format**
