

# Tessellation Project

Individually show what you know about Tessellations by....

- Creating a StoMo & iMovie Video
- Creating a Print and having your design tessellate
- Creating Digital Artwork and having your design tessellate
- Creating 2D artwork and coloring in your tessellating design
- Other ideas?

**Name:** \_\_\_\_\_

**Project:** \_\_\_\_\_

**Circle the Type of Tessellation: (Translation, Rotation, or Reflection)**

	Meet - 3	Partial Meets - 2	Does Not Meet - 1
<b>Neatness</b>	Project is crafted with <i><b>pride</b></i> and created to the <i><b>best of your ability.</b></i>	Project is <i><b>partially crafted with pride</b></i> and created <i><b>somewhat to the best of your ability.</b></i>	Project shows <i><b>little pride.</b></i> Project is <i><b>not created to the best of your ability.</b></i>
<b>Tessellation</b>	<i><b>Correctly Tessellated</b></i> your object - <i><b>No gaps or overlaps.</b></i>	Made <i><b>some mistakes</b></i> while tessellating your object.	Project did <i><b>not reflect</b></i> correct tessellations - <i><b>Many gaps or overlaps</b></i>
<b>Complexity</b>	Design is <i><b>beyond a basic design.</b></i> It is interesting, intriguing, and completely original.	Design is <i><b>somewhat beyond a basic design.</b></i> It is <i><b>somewhat</b></i> interesting, intriguing, and completely original.	Design is <i><b>not beyond a basic design.</b></i> <i><b>Little effort</b></i> went into making it interesting, intriguing, and completely original.
